I have the honour to recommend ^{that} Normal Classes may be opened next winter for the training of male and female teachers in Kindergarten methods and principles under Miss J Rosamond Har and Mr Piriyanna A L I and Mr Venkatesubbalaya B A L I of the Mysore Normal School. The course will extend over a period of three months. The male teachers will be taught in Mysore for 1 month by Messrs Piriyanna A L I and Venkatesubbalaya B A L I and the female teachers not knowing English will as this year be trained by Miss Hart herself in the Maharani's College and female teachers not knowing English will as this year be trained by Mr Venkatesubbalaya in the same College. Miss Hart's winter class have proved a great success and about 120 male and female teachers have received good training in Kindergarten methods and principles in Mysore alone. It is proposed to train an equal number of male and female teachers during next winter if Government are pleased to sanction the necessary funds for carrying out the scheme. It is roughly estimated that a sum of Rs 1000 will be required for expenditure in the shape of special allowance to lecturers and the cost of materials and contingencies.

contingent charges I request that a ~~like~~ sum grant of Rs 1000 may be kindly sanctioned by Government and the amount ordered to be included in the State Fund Budget for 1908-09 Miss Hart who expects no ^{special} remuneration is very enthusiastic about the Normal Classes and I feel confident that she will spare no pains to make her ~~class~~es a complete success She will not only train the teachers of the "Anarani's College and the Mission Girls schools in Mysore during her stay in Mysore but also teachers from all parts of the State knowing English who can be assembled at Mysore for about three months from 1st December to 28 February Messrs Hiriyanna and Venkatasubba-
iya of the Mysore Normal School will similarly train Vernacular teachers at the same time.

2 By holding these winter normal classes for a period of three months more than 125 teachers can receive useful training which they can utilise on returning to their schools I am very desirous that Miss Hart's presence in Mysore during the next winter should be availed of for the training of female teachers The ~~s~~uccess of the winter classes of last year has been so great that I should be glad to make them an annual institution Their great usefulness and cheap cost, are their great recommendation

I have the honour to be,

Sir,

Your most obedient servant,

H. Bhabha
Inspector General
